

Unity Churches of Northern Ohio presents

THE AMAZING WISDOM WITHIN US

Experience the HeartMath Solution with Rev. David McArthur J.D.

Third Annual Retreat - April 20-21, 2018

The HeartMath® Institute's scientific discoveries validated our spiritual knowledge that our deepest levels of spiritual connection take place through our hearts. They also gave us science-based techniques to actualize that deep heart connection. Their findings revealed a code to the amazing wisdom that we can access through our spiritual hearts. Your spiritual heart contains a whole domain of intelligence seldom accessed with our brains. Here is the practical instruction from Spirit on how to transform the challenges both large and small we face in our lives.

In this fun, dynamic and interactive time exploring HeartMath's discoveries, you will learn how to access the amazing wisdom of your heart within minutes. You will return home with the love, power and the wisdom of Spirit present at a whole new level in your life. Yes, there are wise answers to the challenges we face. Come and learn the access code to those answers your Spirit holds for you.

A weekend of bringing together talents, skills, knowledge and resources to work in unity.

Rev. David McArthur joined the HeartMath® Institute at its inception. In addition to his legal career he spent years on the HeartMath staff and over 35 years in Unity ministry. He brings to us his very special expertise in the in-depth spiritual connection that takes place through our hearts.

Rev. David has brought Unity's teachings of the transforming power of Spirit to a new, practical level of application. These techniques have proven effective in the personal lives of hundreds of ministers and thousands of people from all walks of life that have experienced his trainings and keynotes. His journey into this unique knowledge is shared in his recent book, "Your Spiritual Heart."
